Before the Year 11 examinations, the 'Learning Performance' company came to school to present useful revision strategies for pupils. The message was that detailed planning and revision of all topics is crucial if they are to succeed in the summer. It's good to know that everyone from the year benefited from the day; fingers crossed now that the pupils will get the results they deserve in the summer.

Year 11 Awards Ceremony

Thank you to Richard Wyn Hughes, the owner of Pant Du for his speech to Year 11 during this year's Awards Ceremony. The main message was to work hard and persevere in order to fulfil personal aspirations, to achieve success and not to give up when facing difficulties; this message will surely be remembered by everyone present. Staffing

At the end of this term, after 36 years, John Bryn Owen, Vocational Leader, retires. He came here in 1980 as a Geography teacher and has been extremely successful in the work, evidenced by the enthusiasm he engendered in pupils. We thank him also for his valuable contribution towards several aspects of school life but especially for the alternative curriculum that he was responsible for establishing in the 90s. There is no doubt that he can look back on his career with pride. Because of his gentle nature, he has been extremely popular with pupils and fellow teachers, who respected him throughout his career. Our hope as pupils and teachers is that he has a long and happy retirement.

We are also saying goodbye to Mrs Nerys Jones Williams after 17 years as a SEN teacher. She has won the respect of several generations of staff, pupils, parents and friends of the school. As a school we thank her for her impeccable service and wish her a very long, healthy and happy retirement.

We wish Mrs Stella Stansfield a happy and contented retirement and thank her for her service as an assistant over the years.

Miss Catrin O'Regan, the French leader, leaves us at the end of term to teach at Ysgol Uwchradd Llangefni. We wish her every success in her new school and thank her for her conscientious, high-quality service during her time with us.
